The school uniform is available for purchase at Threads Store at Capital Mall. To view the uniform guide, please visit the website from THREADS, GAA's uniform service provider: <http://www.threadsme.com>

Due to the current Covid-19 situation, we would like to inform that the uniforms for GAA will only be distributed from Threads' Retail outlet in Capital Mall. There will be no uniform sale from the GAA school uniform store.

Threads is implementing a pre-booking facility on Threads' website where every parent need to pre-book their visit at a date and time (from the available time slots) that is convenient to them before visiting the Threads' Retail Store to purchase the uniforms. This would help to manage/restrict the number of parents visiting the Retail outlet in line with the Covid-19 measures.
