

## ABOUT BOOSTER CLUB

The GAA Booster Club is a parent volunteer organization that helps support our Secondary Athletics and Fine Arts departments, with the mission of providing fun and community building events for the students and families of GAA. Support is shown in many ways, including volunteering time, raising money and contributing funds to better enhance the team or organization's performance. Booster Club is an important mean of connecting parents and other community members with the curricular and co-curricular activities of students.

In addition to supporting our students, we are members of the GAA Community and we work with other volunteer groups on campus to promote community as well as partnering with GAAPA for events throughout the year.

## BOOSTER SUPPORTS & OPERATES

Proceeds raised through fundraising support:

- All GAA Sports & Arts;
  - Sports Spirit items;
  - High School sports award ceremony & reception;

## BOOSTER CLUB - STUDENT BOARD

Student support is essential for building a healthy school community. The more support is given, the more it circles around to benefit the students within the program.

With students supporting the club by engaging in activities, fundraisers, or the school program, they are encouraging others to do the same. This elevates the visibility of the Booster Club and strengthens its efforts.

- Assist the Booster president in organizing and replenishing the Wildcarts;
- Responsible for promoting Booster Club events and recruiting volunteers;
- Maintain a roster of students volunteering at the Snack Shack.
